## **UCFD-P3V**

#### FFP3 NR Fold Flat Mask With Valve.

Universally popular vertical fold flat FFP3 disposable respirator. Packed individually for easy hygienic dispensing.

Space saving design allows the mask to be stored whilst not in use. Integrated exhalation valve reduces breathing resistance and heat build up for superior user comfort.

Light and comfortable with a soft foam nose seal and adjustable nose clip that moulds to the users face to improve face fit percentage and enhance compatability with eyewear and reduced fogging. Colour coded nose clip, valve and strap for easy identification in the workplace. Maintenance free.
