Slip Resistance SRC

AS245 TORRIDGE: A hardwearing and rugged waterproof tie top safety rigger from Amblers Safety. An internal **DRI-BLOC®** membrane offers waterproof protection whilst remaining breathable. Crafted with a tough and rugged, water-resistant crazy horse leather upper. Functional 360 degree tie top with drawcord and lock system. Easy on and off with twin side leather pull loops. Ergonomically shaped 200J impact and compression resistant steel toe cap. Underfoot protection is given with a penetration resistant steel midsole. Moisture wicking mesh lining and removeable cushioning PU foam insole. Features a TPU heel support providing extra durability. Dual density PU midsole with moulded scuff cap combining with a hardwearing, slip-resistant TPU outsole in antistatic construction.

- ◆ Waterproof membrane lining
- ◆ Functional draw cord and two strong leather loops
- ◆ Moulded PU scuff cap
- ◆ Injected PU midsole
- ◆ Durable TPU outsole
- ◆ Antistatic
- ◆ Energy absorbent heel
- ◆ Oil resistant outsole

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
